Advancement of age is a natural phenomenon. Our special care programme has been specifically designed, keeping in mind the various necessities that may arise due to advancement of age or unproduced ailments. Residents, under Godhuli's Special Care Programme, would be entitled and offered all the services and facilities of Godhuli's Standard Care Programme.

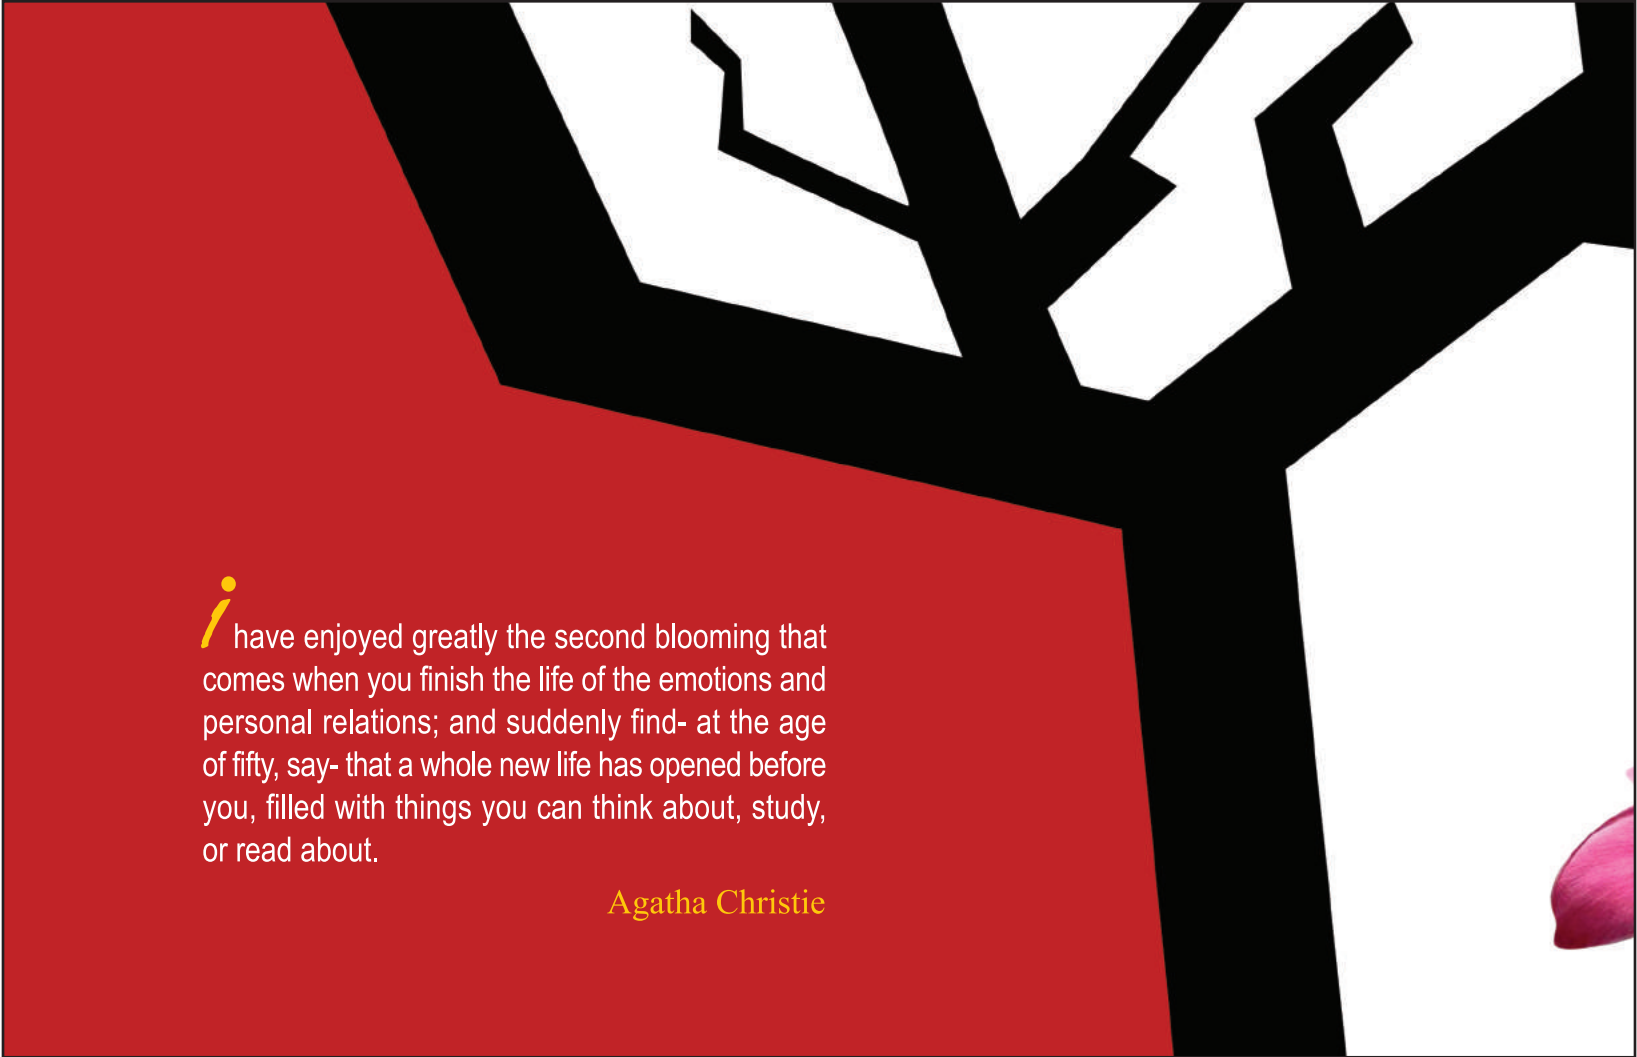

Special Care Services, which are provided to residents in their suites along with the services of Standard Care includes:

1. 24- hours on-call medical assistance.
 2. 24- hours availability of a licensed professional nurse for the emergency medical management.
 3. 24- hours call system for member's own doctor relatives & friends; 24- hours Medication supervision or administration as advised by member's own physician.
 4. 24- hours Assistance and scheduled transportation for medical and social appointments.
 5. 24- hours Wheel Chair Assistance.
- Maintenance of your health care records.

We have a dedicated, caring staff who works closely with residents and their families to provide the amount of care and support necessary for your maximum independence, comfort and safety.

Even if you need emergency care, or just a check on your weight or blood pressure or blood sugar, our staff is always there to assist you.

27

I come to those ones quickly
who offer me their every action
and worship me with undaunted
devotion. Because they love
me, these are my own people,
and I shall save them from
mortal sorroe and all the waves
of life's deathly ocean.

Sri Krishna - Bhagabat Gita
